There was only one Certification left on my SUSE Learning Path, **SPSA SUSE Rancher**, which I received today, after meeting the Pre-Requirements by holding the SUSE Rancher SCA and SCDS Certification.

It was, similar as **SPSA SLES** great strengthen my knowledge about troubleshooting, tools and best practices to interact with the SUSE Support Team with a focus on SUSE Rancher.

Skills

- Maintenance
- Basic Health Checks
- Troubleshooting
- Gathering System Information for support
- Interacting with SUSE
- Support FAQs
